The Fourth Official Newsletter!

Hello! I'm sorry this is so late in getting out to you. I have delayed sending out the quarterly newsletter because I so wanted to be able to have my full length CD available for ordering when I sent it out...so GUESS WHAT?! The **full length CD** "From Me to You" is **available for ordering now!!!**

You can conveniently order it online now by clicking here, thereby going to my web site, www.StephaniePauline.org and going to the CD page, or you can order it by sending in the order form below. (See below for details)

I'm so excited! I'm ready to start working on the next one and also focus efforts on giving concerts wherever I'm invited. It's a fulfilling time!

From My Heart:

With all the mail you receive I'm going to try to keep this brief yet hopefully inspiring at the same time.

We all have a choice. We can either interpret God's heart through the filter of circumstance and human will or we can interpret circumstances and human will through the filter of God's heart. We all are faced with this choice sooner or later. Most of us don't recognize the moment of decision. Our defenses, our falsities rush in to cushion the blow and we justify our lack of faith in God or fail to perceive our lack at all.

In my own life I was struck down at an early age by a series of events; an onslaught of difficulties was heaped upon me. I could blame the things that happened; the people behind some of the consequences that fell on me, but you know my heart did not truly suffer loss until I decided to judge God by my finite perspective. You see I

am the one who believed the lie that God somehow couldn't love me and let these things happen to me. I am the one who rejected God because I felt he must have rejected me. I am the one who cut my heart off from my one source of healing, my one source of life, relief and love. I chose to interpret God's heart through the filter of my difficult circumstances and the choices of those around me. I can't blame anyone but myself and acknowledge my failure before God.

So how could I have reacted differently? I could have pressed into God's heart and sought him out instead of giving up. I could have looked upon the world, my circumstances, and the people causing me pain through God's eyes, with clear vision, compassion and love. I could have acknowledged that my perspective is not the only perspective and is certainly not the ultimate perspective. I could have grieved **with** God instead of shutting Him out. But then again there is no way to know what you do not know until you know it. Only time and God's loving, steady hand brought me here.

I know that you too have difficulties in your life. The choice is set before you. You can either interpret God's heart through the filter of circumstance and human will or you can interpret circumstances and human will through the filter of God's all-loving heart. One leaves you faithless, the other faithful. One is a lie; the other is truth. God's heart is the **only** foundation for true understanding. The choice is yours. I implore you to choose wisely, and remember the last sunrise you saw...brushed into the sky by the hand of an infinite God who longs to be one with **you**.

Highlights:

- The compilation CD I was featured on was completed and is available for ordering through us or by e-mailing Maureen Pranghofer, (the songwriter), at maureenmusic@attbi.com
- I wrote 15 songs and arranged five of those. I also wrote poetry that I plan to use later for another project...I'll let you know about it when it's closer to fruition.
- I had my first ever full-length concert in the Twin Cities of Minnesota, hosted by my home church, Cornerstone Community Center. Thank you so much to those of you who were able to come. It was so good to see you all and to share my songs and what God has been doing in and through me with you. Thank you.
- Trev and I sang at Pikes Peak IHS, a nursing home here in the Springs.

Prayer Needs:

- That God would continue to lead this ministry and my life. That He would keep me pure and humble before Him.

- That Trevor, (my son), would be blessed in all he does, and that our relationship would be deepened and strengthened by God's Spirit.
- That God would lead my relationship with Nathan according to His will and guard our hearts and Trevor's in the process. That it would bring glory to God whatever the outcome.
- That God would anoint me with songs and words straight from His heart. That I would have courage, anointing and stamina enough to bring God's spirit with me into every concert I give, and that God would open the doors He wants opened in that arena.
- That our continuing financial needs would be provided and that God would call people He chooses to support us monthly as they are led.
- That God would bring the musicians, producers, recording engineers, and sound people of His choosing to partner in this ministry.

Involvement Opportunities:

- We can use your help in many ways. The first way I can think of is prayer. Please check the appropriate box below to be a prayer partner if you feel so led.
- Another thing you can do to help is to be a voice for me in your community. We have displays now available for CD distribution and flyers as well. If you would be willing to place the flyers in your locality and/or place displays, please check the appropriate box below and return the form.

- You can still order the three song CD, the rookie card with great potential and now you can also order the full length CD "From Me to You." You can order the three song CD online now at www.StephaniePauline.org or by specifying the order on the form below, making a donation and sending them in.
